## KEY DIFFERENTIATORS

- **Innovative printing technology:** Print white ink on dark surfaces, use silver ink to enhance your message, and/or incorporate fluorescent pink to augment your color gamut.
- **Stunning substrates:** Choose recycled, cotton, hemp-based papers, rigid vinyl, styrene, acrylic, polyester, aluminum, wood, PVC-free wallpaper, and much more.
- **Trade Show displays:** select from our wide range of exhibit displays, for purchase or rental, including installation and tear down services.
- **Promotional products:** Choose from laser-engraved, printed, and embroidered promo merchandise.
- **Signage solutions:** Produce ADA compliant signs, outdoor banners, wall and floor graphics, dust walls, and directional signage.
- **24/7 Custom Online Ordering:** Enjoy your custom-made online portal designed with your individual needs in mind.
